

Subject: Request for Your Support on Nathan's Law – A Safeguarding Issue

Dear [Mr/Mrs/Miss] [MP's Surname],

My name is **[Your Full Name]**, and I reside in your constituency at **[Your Address]**.

I am writing to ask for your support for the **Nathan Sterling Initiative**, backed by **People Against Parental Alienation (PAPA)**. This initiative proposes the introduction of **Nathan's Law**, which advocates for the automatic recognition of shared custody and parental responsibility for both parents. I have also attached a short awareness video that explains the goals and importance of the project.

This is not just a legal issue — it is a **safeguarding issue**. Parental Alienation causes lasting emotional and psychological harm to both children and the alienated parent.

Regrettably, I have experienced Parental Alienation firsthand and have been excluded from my children's lives.

[Optional: You may choose to insert a brief personal story or impact statement here, to help illustrate your experience.]

I would be grateful if you could let me know your position on this issue:

- Are you **For or Against** the principle of **Nathan's Law**?
- What is your current understanding of **Parental Alienation** and its impact?

Thank you for taking the time to consider this important matter. I look forward to your response.

Kind regards,

Your Full Name
